Popular standard features included with all plans

Whether you're operating on a shoestring budget or the sky's the limit, you won't have to choose between affordability and functionality. You'll get a secure and responsive system that you can access from anywhere. Every plan includes eimmigration's full suite of standard features, including:

- Case Worker Portal
- Case Creation Wizard
- Daily Planner
- Customizable Case Process Templates
- Reminders & Alerts
- 300+ Immigration Forms
- Customizable Intake Questionnaires
- Document Repository
- Document Assembly Wizard
- e-Signature
- Contact Management
- Client & Human Resources Portal
- Communication Templates
- Practice Command Center
- Standard Reports

Customize your system with optional modules

No one knows what your business needs better than you. That's why we take a build-your-own approach that lets you choose the extra features you need.

Choose from 16 optional modules. You get one with Plan A, four with Plan B, and all 16 with Plan C.

- Custom Reports
- e-Filing with CBP Data Import
- USCIS & Visa Bulletin Tracker
- California Judicial Court Forms

- SMS Messaging
- Mail! Anywhere
- Billing & Trust Accounting
- Credit Card & ACH Processing
- Time Keeper
- 2FA and SSO
Advanced Authentication
- Cloud Storage Connector
- Acuity Scheduling
- Non-Immigration Practice Areas

Want help choosing your modules?

Contact our sales team at sales@eimmigration.com for assistance.

Optional data import services

Switching to eimmigration from another system? Bring all your client and case data with you. We offer seamless data import services so you don't have to leave anything behind.

Standard Import: \$1,000

For users switching from LawLogix, INSZoom, Docketwise, Legal Files, Immigrant Pro, Tracker Cloud/Desktop, BlueDot, MyCase, Clio, and Time Matters, or for those importing their data via our Excel template.

Custom Import: Pricing varies

Available for users switching from any other platform not covered by our Standard Import.

Ready to get your casework done 40% faster?

It all starts with a demo. Let us show you around the system and help you choose the right plan.
